

—10 IHC—

# Tenth International Hydrail Conference

**Mooreville NC**

**USA**

**June 22-23**

**2015**

WHY THESE “IHCs” ARE CONVENED:  
TO **EXPEDITE DEPLOYMENT OF**  
HYDRAIL RAILWAYS *“ON THE GROUND”*

- **climate:** to reduce carbon from transportation
- **pollution:** to improve air quality and save lives
- **capital conservation:** to avoid public and private investment in legacy technologies
- **economics:** to make electric transit affordable
- **aesthetics:** to keep catenaries out of cities
